### Big News - We're Moving Back to Chiangmai

We have spent this term primarily working with a church plant here in Lampang and have loved every minute of it. At the same time, God has been stirring something in our hearts, causing us to ask, "what next?" So after much prayer and conversation we have found our "what next". We will travel between churches in Northern Thailand to encourage them and help them grow. We will be doing more preaching, teaching and mentoring than before. We are in the process of moving to Chiangmai and are excited to see what this next step looks like. Although there are many unknowns, we are confident that God's hand is upon this new season.

### Summer Volunteers and Interns

This summer we hosted two Chi Alpha University teams, from Alaska and Texas. We also were blessed with five amazing interns for two months. They've spent their time here building relationships with Thai people. We've done this by teaching English, spending time at the exercise park, and meeting friends for games. Praise God for people to help us build relationships with Thai People and that he continues to call people to join us here in Thailand!

### Itineration - January 2019

As much as we love being in Thailand, we also love seeing our family and friends in the U.S., and look forward to our itineration. We will finish up our four-year term in January 2019. Praise the Lord that we have already been blessed with housing for the first six months in Minnesota. We are very much looking forward to reconnecting with our family, friends and church partners. Our calendar is already starting to fill up and we know that this time will go fast. If you would like to schedule a service, meeting, small group, etc., please send us a message. We love meeting with people and sharing about what God is doing in Thailand.
