River Valley Church Team

In February, we were blessed with another fantastic team from our home church in Minnesota, River Valley Church. The team leaders are dear friends of ours, which made it even more special. We did an English camp at a local elementary school and ministry at a local exercise park. We also visited hospitals where we sang worship songs and prayed for people. While visiting one of the hospitals, an 86-year-old Thai woman accepted Christ. Praise the Lord for one more changed life! God really moved in the team members lives as well. Many went deeper in their faith and their relationship with God. And, one of the team members was water baptized here in Thailand. We thank God for her changed life as well!

Our Newest Teammates

We are thankful for our two newest teammates, Aaron Koon and Roxanne Elliott, both from Texas. They will be serving with our team here in Lampang for two years. They've jumped right in getting to know people in Lampang, learning the Thai language, learning about Thai culture, etc. They are a huge blessing to us and the people in Lampang. We are excited to see our team growing which gives us more opportunities to spread the Good News of Jesus.

Hmong Church Visit

Paul and Aaron traveled to a Hmong village in the mountains of Thailand where an Assemblies of God church was doing a church dedication. About 75 people from neighboring churches came to this remote area for the celebration. Paul was able to share, encourage and pray along with the church members. It was amazing to see how God is at work in these villages. They ended their day by baptizing four people. We love seeing people take this next step in their faith journey!
