PRAYER REQUESTS

Pray for the Thailand Assemblies of God Pastors and churches.

Pray that more people in Lampang will come to know Christ.

Praise God for Golf's answered prayers.

Thailand Assemblies of God General Council

The Thailand Assemblies of God (TAG) celebrated their 48th General Council. Two Hundred Pastors and church members traveling from all over Thailand attended. The theme this year was "TAG Together". Discussions centered on working together in order to be more effective in sharing the news of Jesus. Each district and church came up with goals for a desired number of new Christians, new pastors, and new churches planted. With a unified effort like this we believe that great things will happen! We love attending General Council, as it is a great opportunity to visit with so many pastors. We are praying that together we will help them reach their goals and more.

Festival of Love

There are a few churches in Lampang other than ours; however, we are the only Assembly of God church in town. Occasionally during our daily adventures we meet other Christians and rejoice, yeah for more Christians in Lampang! We recently had the opportunity to join together with other churches in a Christian outreach event called Festival of Love. It took place over two evenings at a large park near downtown. Paul was one of many volunteers who helped make this happen. The time included worship, preaching, fellowship and entertainment. It was exciting to see several hundred people experience and enjoy something that is so different from the Buddhist way of life. Please join us as we pray for seeds that were planted during this outreach.

Our Friend Golf

Many of you know Golf, our friend from Chiangmai that accepted Christ into his life four years ago. His desire was to someday own a restaurant. Golf started a food truck two years ago called Wrap Master. It did so well that one year later he opened a restaurant with the same name in a large mall in Chiangmai. The restaurant has been so successful that after one year in the mall he just doubled his space. He has also been able to provide jobs for many of his family and friends. It's amazing to see how God has blessed him and answered his prayers!
