## CHRISTMAS OUTREACHES

The Christmas season truly is our favorite time of the year. This year we participated in two great outreaches. We helped out at TLC Church with their traditional ministry to the neighborhood children. Over 100 kids came to church to be a part of this service. Each child received a gift and heard the message of Jesus. Paul was Santa this year and was able to pray over all of the children. We also helped out with a more intimate service at Manenoparat church in Chiangmai. Nearly 30 people came to the evening dinner, which included music, gifts and several wonderful testimonies. A couple of people stayed after the service wanting to learn more about Jesus and Christianity.

## NEXT GEN MISSIONS SUMMIT

Just after Christmas, Paul traveled with 35 Thai young adults to Malaysia for the Next Gen Missions Summit. Over 500 people from 16 countries came together to help raise up the next generation and teach them about missions. Much time was spent in prayer and worship. There were a number of great speakers who shared vision on how to spread Gods word around the world. Everyone left refreshed, inspired and ready to return to their countries with a new sense of purpose.

## BACK IN MINNESOTA

We are blessed to be back in Minnesota and living in a wonderful home provided by our church. We are thankful we were just able to get all of our children and grandchildren together for a great Christmas celebration. As we mentioned in our last newsletter we are back in the U.S. all of 2019. We know that this time will go fast and our calendar is already starting to fill up. If you would like to schedule a service, meeting, small group etc.... please send us a message. We love meeting people and sharing about what God is doing in Thailand.

### Prayer Requests

- Pray for our itineration time as we travel to share about Thailand.
- Pray for Thai people that recently heard the good news of Jesus for the first time.
- Pray that this new year will bring a time of revival throughout Thailand, and across the world.
