

REVIVAL IN PETCHABUN PROVINCE

Over the 200 years that missionaries have been in Thailand, only a small percentage of people have become Christians. There is a movement going on right now that is changing that. Two years ago, a church planting movement lead by a Thai pastor started a revival in the Phetchabun province of Central Thailand. In these past two years over 400 house churches have started and 12,000 new believers have been recorded. Praise God for all these changed lives! Because of this other churches throughout Thailand have been inspired and are beginning to see similar results. This past fall, over 500 people were baptized in one day!

SHARING ABOUT THAILAND

We loved speaking in Olivia, MN (Robyn's home town) at Faith United Methodist Church. So great to see so many of our family and friends there to learn about what God is doing in Thailand! We left feeling so encouraged! We really do enjoy sharing about Thailand whether it is for five minutes or a full service. As we are sharing in various places, God has allowed us to meet many great people and hear stories about how God is working in their lives.

ADDING TO THE CHIANGMAI TEAM

We are excited that Marty and Connie Vanderzanden have been approved to be Missionary Associates returning for a two-year term starting in 2020. Marty and Connie spent four months with us in Chiangmai this past fall and are a great addition to the team. They are truly humble servants following the call God has placed on their lives. In addition to Marty and Connie, we still need more people. During our time back in Minnesota we have been sharing this need. We know many wonderful churches and ministries in Thailand that simply don't have people to help them. It is our desire to encourage others to be obedient to God's calling and use their gifts to help us share the gospel in Thailand.
