

## NORTHERN TRAINING CENTER

Our vision when we return is to help start a pastoral training center in Northern Thailand. There is currently a shortage of pastors throughout all of Thailand. We desire to see the next generation trained up in order to make Jesus known. The Thailand Assemblies of God has also recently been sharing their desire for regional training centers. We are thankful that God has aligned our visions in order to reach the never reached. Keep us in your prayers as we move forward in seeing this training center become a reality.

## TOGETHER 2019

We had an amazing time in Orlando this past August meeting with over 1,650 missionaries and 750 missionary kids from around the world. It was a time to renew, refocus, and recommit. We spent three days there, which included times of teaching, worship, as well as regional and area breakouts. We were able to meet with so many missionaries that we hadn't seen in person for many years. This was a once in a lifetime gathering that took three years to plan. We are thankful that we are part of the Assemblies of God World Missions family. As a group, we recommitted ourselves to reaching the lost.

## FINANCIAL UPDATE

As we wrap up our time here in Minnesota, it's a great time to do a quick financial update. We've been spending our time updating our current partners, as well as developing new partners. We are so thankful to have added additional people to our team this year. Currently, we need **\$700** more monthly to return to Thailand and sustain us for the next four-year term. **If you have been thinking of becoming one of our monthly partners, now would be a great time.** Our desire is to receive our financial clearance by December 1<sup>st</sup>, in order to depart for Thailand in early January.
