

## MASTERS DEGREE STUDENTS

We love that God is calling Thai pastors to further their education in order to better reach the lost people here in Thailand. There are currently 14 pastors from throughout the country who come together every 6 weeks to complete a class towards a Masters Degree in Ministry. The class recently met in Chiangmai and we had the opportunity to share a teaching about the Holy Spirit. One evening we joined them for dinner and had a great time of fellowship. We love the passion these students have for learning and reaching the lost. We know God is working in their lives and will use them in mighty ways.

## BIBLE STORY BOOKS

We have been blessed with access to wonderful Bible story books. These books have been translated into four different languages, one of them being Thai. Paul and our good friend pastor Brasopsuk were able to send out books to 13 different Thai churches in 13 different cities. These churches have already been using them to reach Buddhist people in their towns and villages. They will also use them for upcoming Christmas outreaches. What a blessing these books were to these churches. God is so good in all the ways he provides for us.
