

CHURCH BUILDING PROJECTS UPDATE

We shared in our last newsletter that three Assemblies of God churches in Chiangmai were wanting to buy land and build churches. Thai Vision Church is fully funded and has closed on their land and building. Manenoparat Church has the funds to purchase their land and is raising support for a building. Liberty Church is working hard to get the funds for their land. God has been so good in blessing these churches. Thank you to many of you who are partnering with these churches!

CHIANGMAI TEAM UPDATE

Our new missionary associate, Robyn (Rose) Thompson is now in Chiangmai. We are so grateful that everything has gone smoothly. She has already received her visa, work permit, and moved into a wonderful house. Marty and Connie Vanderzanden have recently returned from their itineration. Sara Whitehurst recently headed back to the US for her itineration. A lot of transitions, and God has them all covered. We are grateful for such an amazing team of people! We are so excited to see how God will continue to use this team to reach the lost.

SOUTHERN THAILAND

Recently we gathered in the city of Hat Yai with our AG missionary workers that are serving in Thailand. Buddhists and Muslims make up the majority of the population with very few Christians. While visiting and praying over the temples and mosques, there was a deep feeling of darkness. Yet, even in this darkness the churches are growing. Pastor Kritsada shared his vision on expanding the Kingdom and making the name of God known. We came away feeling encouraged and full of hope for this area.
