

CHRISTMAS OUTREACHES

Christmas time is definitely our favorite time of year. Thailand is an open country for sharing the gospel and Christians here love to take advantage of that. We were able to be a part of several church outreaches. We had a Christmas gathering at a local school with over 300 people attending. There were songs, prizes and many people heard the gospel for the very first time. Paul traveled to a Karen village in the mountains and again people heard the message for their first time and six people accepted Christ into their lives. The local churches are following up with new believers and we look forward to hearing more stories of changed lives.

MINNESOTA PASTORS TEAM

We were blessed to have ten pastors from Minnesota come to Thailand on a vision trip to learn more about Buddhism and how to pray for Buddhist people. We traveled to multiple temples, shared stories of Buddhist lives being changed and answered lots of questions about the darkness in this country. A highlight was that three of the pastors were able to preach at different Assembly of God churches.

RIVER VALLEY CHURCH TEAM

It has been nearly three years since we hosted a short-term team here in Thailand. We are so thankful for such a loving, caring, hardworking team of people who came to serve. We taught English, painted a school, did construction on a church, and blessed this area with so many prayers. The team built relationships with the Thai people, prayed for them and left with a changed heart. God certainly used them in a mighty way.
