AGWM TRAINING IN SPRINGFIELD

In June, we were able to spend two weeks in Springfield, MO where the AGWM headquarters is located. Hundreds of missionaries and their families from across the world gathered during this time. The focus was mainly on training and learning how to be better missionaries. Our time also included great messages along with worship and prayer. A highlight was being at the ceremony where they set a record for most Career and Missionary Associates being commissioned. Here's the Chiangmai teammates who were there.

MINNESOTA FAMILY CAMP

Minnesota has an amazing Assembly of God camp near Alexandria MN. We had such a great time reconnecting with and meeting so many people during our time at family camp. There were over 1,500 people of all ages at the week-long camp. We enjoyed the worship time, prayer, bible study, fellowship and time to relax. Praise the Lord we were blessed to be part of this event.

RIVER VALLEY CHURCH, SHAKOPEE MN

We are so thankful for this church, our home church, where we committed our lives to Christ in 2007. It was so great to be able to share what God has done in and through our lives. We were brought to tears as we spoke to people we have known for over 17 years and others that have joined the church since we moved to Thailand. We are blessed by our church in more ways than we ever could have imagined.

PRAYER REQUESTS

- Please pray for those who were recently commissioned as many are stateside and raising new partners and support.
- Please pray for those who attended family camp as they return to their cities, that they are refreshed and excited to share the gospel.
- Please pray our fundraising efforts. We are still in need of \$2,700 of monthly partners.
